

# THE FLOWER PRESS

**PENN-CUMBERLAND GARDEN CLUB  
HARRISBURG – WEST SHORE AREA  
SEPTEMBER-OCTOBER 2018  
“58 Years and Still Blooming”  
Member of National Garden Clubs, Inc.**

## *FROM YOUR PRESIDENT*

Gloria Basehore did a great job planning the bus trip to Morris Arboretum. All had a great time. I also attended the recent planning meeting for the next upcoming trips.

We finished off the year with the brunch. I appreciate all who accommodated this change. Hopefully, we won't have to do that again. Talking about change, we will again be meeting for our Executive Board meetings as well as a few committee meetings at the Giant Food store meeting rooms on the second floor.

I want to thank everyone who helped make our Garden Tour such a success. Karen Schwarzbauer and I were guests on Bob Carey's Garden Talk show. Carol Hollis and I were guests on Good Day PA.ABC-27. I sure was nervous. Many hours went into planning the tour and on the day of Carol Hollis, Ann Markley and I ran the gas out of our cars running around. It all paid off since we sold out of tickets. Many positive comments were heard.

The summer board meeting was held at the club house at Carmella, followed by a covered dish lunch and a new member informational PowerPoint presentation. Thanks to Wanda Godar for reserving the room and staying to do the dishes and clean up.

Save the date: April 4<sup>th</sup>, PCGC will host the District IV meeting. Wanda Godar, Betty Pisano and I checked out a number of potential venues and selected The Lodge at Liberty Forge. It's conveniently located only 3 miles off of Rt. 15, near the turnpike, for other clubs traveling to the meeting. The dining room overlooks a beautiful lake and golf course.

September meeting will be a plant exchange. If you bring a plant, you will get first dibs on taking home another plant. I have many purple bearded iris rhizomes I will be bringing. What could you divide and bring? See you in September.

## *KAREN MCAULIFFE*

## *SEPTEMBER 17<sup>TH</sup> MEETING*

Our speaker this month to start our new season of garden club will be Joseph Neville, Executive Director of Keystone Trails Association speaking on "Pennsylvania's Miles of Trails." We will have a plant exchange after lunch ..... look around your yard for things that you have been meaning to divide, share some of the things that you've had in pots all summer that won't winter over or divide that house plant that has just gotten way too big. For every plant you bring you can choose a plant to take home. Please LABEL your plants with as much information as you can!

Remember to bring your own place settings for lunch including silverware, a glass or cup and a cloth napkin as we are a "green" club. The speaker will begin at 10 a.m. but plan to arrive early to get your nametag, pick up your new yearbook and greet friends you may not have seen all summer!

## 2018-2019 PROGRAM SCHEDULE - Susanna Reppert-Brill

**OCTOBER 15** - Patti Volpe – “Patsy’s People” - Flower and Garden Photography  
For this month **only** the business meeting will be at 10 with the Program at 11

**NOVEMBER 26** – ANNUAL BENEFIT – Trish O’Sullivan, Floral Designer

**DECEMBER 17** – Joanne Ranck Davis, Landis Valley Associates Heirloom Seed Project Coordinator

**JANUARY 21** - Diane Barge, Garden Club of the West Shore  
“Seed Starting How-To and Tips”

**FEBRUARY 18** – Caroline Bupp, Cross Creek Farm, “Light up the Night”

**MARCH 18** – Hoyt Lechthaler, Troop 190 Eagle Scout, Blue Bird Box Project and Bird Lovers of PCGC

**APRIL 15** - Darlene Palanti, MA, “Enclosed Gardens from 1400’s to 1800’s”

**MAY 20** - Bertha P. Reppert Annual Herb Tea, Marcella Paraskevas Rameriez, “An Herb Tea Party for People and Pets”

**JUNE 17** - “**Not** Four of a Kind” Four Penn Cumberland Garden Club members are provided the same flowers and surprise containers to create arrangements

# HORTICULTURE

It's hard to believe that summer is coming to an end and the Autumnal Equinox is quickly approaching. What a fabulous summer it was for PCGC! The weather cooperated for our "Plant America Beautiful Summer Garden Tour." Thanks to our diligent committed membership and hardworking Tour Committee the tour was a roaring success! The attendance at the gardens averaged 215 guests. We received numerous compliments about the diverse gardens, the entertainment and the raffle. It was so heartwarming for me to observe the host gardeners sharing their beautiful retreats with the guests. The pictures posted on our Facebook page captured the joy and enthusiasm for us to enjoy! Once again I want to express my gratitude for all the support and diligent work accomplished to make the tour a success. From the Rosebud and Daisy donations, to our dedicated hostesses, to the advertising, to the media blitz and the manpower on the day of the tour, we exemplified our motto: "Every member a working member!" A list of the raffle winners is identified below.

- Hellenic Kouzina Gift Card – Janet Weltmer, Etters
- Whitaker Center Tickets – Carolyn Lauver, Dauphin
- Giant Gift Cards – Gayle Cowdright, Harrisburg  
Calvin Smith, Harrisburg
- Benny's Pet Depot Gift Card – Bill Markley, Camp Hill
- Handcrafted Birdhouse – Heather Andrews – Enola
- Pat Stull Paintings – Doris Smith, Mechanicsburg  
Linda Farr, Lemoyne  
Regina Dolan, New York
- Katherine Gebauer Painting – Susan Wilder, Mechanicsburg
- Rosemary House Gift Card – Lois Kriens, Camp Hill
- Karns Gift Card – Jennifer Kitzmiller – Dover
- Nick Carabella CD's – Marlene Cole – Hummelstown  
Fran Nuhfer – Pennsylvania Furnace
- Pedi/Mani Basket with Gift Certificate – Dolly Kostelac, Shiremanstown

As autumn approaches here are some tips to ready our gardens:

- Plant some new colorful plants to fill in for dying annuals
- Plant spring bulbs
- Clean up old and unwanted growth
- Dig up sensitive bulbs to store over winter in a warm place
- Rake the garden to get rid of pests in the debris
- Empty compost bins

Please consider joining us for a fall **Weed Walk** planned with Susanna Reppert-Brill on **October 10<sup>th</sup> at 9:30a.m.** We will meet behind the **Rosemary House**. Upcoming spring outings to look forward to are a Fort Hunter Mansion Tour and a Messiah College Horticulture tour. Stay tuned for additional information. Looking forward to another exciting and fun year for PCGC filled with valuable information and fellowship. Horticulture Committee will meet Monday, September 10<sup>th</sup> at 8 a.m. at the Giant Food Store second floor prior to the Board meeting.

Carol Hollis, Horticulture Chairman

## *FLORAL DESIGNERS GUILD*

We welcome everyone back to another year of learning and fellowship with a new idea. We will not have our regular monthly meetings but have changed the format at the request of the group. The Floral Designers Guild will meet for workshops on three dates this year: Oct. 29, March 25, and June 24 at the Camp Hill Giant Classroom from 10 AM to Noon. Please plan to attend these special workshops and learn. Bring pruners only as plant material and containers will be provided at each workshop to create arrangements. There will be a charge of \$15.00 for the supplies. Advance registration and payment will be required. You do not need to be a previous member of the guild to attend and no previous training needed. Open to all members of the club.

There will be added opportunities to learn designs and techniques at the District IV Flower Show workshops. On Oct 12 one will be held at the Biglerville Library and on Nov. 7 a second workshop on more designs will be held in York. If you are interested, check with me for times and directions. Perhaps you will be inspired to exhibit at the March Flower Show.

Let's make this a year filled with flowers and fun.

Judy McGinnis, Chairman, Joyce Wallen, Co-Chairman

## *CIVIC BEAUTIFICATION*

One of the gardens that club members maintain is located at the Adams Ricci Park. It is a Shade Demonstration Garden that was created and planted in 2016. The Civic Beautification Committee will be adding daffodils to this garden in October. If you are interested in helping check the TO DO list for Planting Dates closer to the time. ALL are welcome - you don't have to be a member of the Civic Beautification Committee to help plant a garden.

Karen Schwarzbauer, Civic Beautification Chairman

## *MEMBERSHIP*

At the conclusion of our 2017-2018 Penn-Cumberland Garden Club year our membership stands at 111. I am sorry to report the resignation of ten members. However, we did receive a state award for the growth of our club this past year. Please welcome Sherry Prensner to our club at the September meeting. Also please reach out to friends and neighbors who may be interested in attending a meeting to help us rebuild our numbers.

Anne Keck, Membership Chairman

# *SCHOLARSHIP AWARDEES*

The Penn-Cumberland Garden Club's Esther Kolze Scholarship award of \$1,000 for High School Seniors was awarded for the 2018/2019 school year to **Haley Rumbel**, Cedar Cliff High School Senior. Haley has now started her freshman year at Penn State University, Main Campus, with a major in Plant Sciences. Her intended career is in biotechnology/genetic research.

The Penn-Cumberland Garden Club's Esther Kolze Scholarship award of \$1,000 for Current College Students has been awarded for the 2018/2019 year to **Ian Hess**. He attends Wilson College with a major in Environmental Science and currently is in his sophomore year of study. Ian's intended career is as an Environmental Conservation Officer.

This year through the hard work of all club members we were able to award two additional scholarships of \$500.00 each for the 2018/2019 school year. The scholarships were awarded to two High School Seniors, **Angelica Reppert-Brill** and **Courtney Fleisher**.

**Angelica Reppert-Brill** recently graduated from Mechanicsburg Area High School and is now a freshman at Penn State University, Main Campus with a major in Environmental Studies. Her intended career choice is as an Environmental Ambassador in the Diplomatic Corp.

**Courtney Fleisher** is from Newport and recently graduated from Greenwood High School. She has now started her studies at the Harrisburg Area Community College with a major in Environmental Studies. She plans upon graduation to transfer to Penn State University at Harrisburg to obtain a degree in Biology with an emphasis in Environmental Science. Courtney's intended career is as an Environmental Laboratory Scientist.

We wish them great success in their chosen careers.

Carol Heide, Scholarship Chairman

Haley Rumbel with Kay Rowe,  
Scholarship Co-Chairman

Angelica Brill and Courtney Fleischer with  
Carol Heide, Scholarship Chairman

Ian Hess

## *AMES COMMUNITY GARDENS*

The gardens are colorful and beautiful and we have many busy gardeners harvesting fresh vegetables. One of the ways the garden committee helps the gardeners succeed is by providing monthly programs led by local garden experts. Our own Susanna Reppert-Brill spoke about culinary herbs in June; Bob Carey and Erica Shaffer have also given interesting programs this summer. The August program was led by Crystal Huff who was instrumental in starting the community gardens in Hershey.

Our final program will be on Tuesday, September 11<sup>th</sup>. It will be presented by Kathy Quarles from Stauffers. She always provides helpful information and answers questions about various problems we might be experiencing. We gather around the gazebo at the Ames Community Gardens on Railroad Avenue in Shiremanstown with our own lawn chairs and blankets. We begin at 6:30 p.m. Our programs usually last an hour. If it is raining an hour before (at 5:30) we will cancel. All gardeners and visitors are welcome.

All garden plots are occupied and we have a small wait list. The gardens are looking beautiful and we loved taking part in the July garden tour.

Susan Wilder, Chairman, Doris Smith, Co-Chairman

## *PRESSED FLOWER DESIGNERS*

The Pressed Flower Designers did something unprecedented during the "Plant America Beautiful" Garden Tour. We sold items inside the beautiful Frankenberger Tavern that added \$125 to the Garden Tour profits! Plus, we gave away Free bookmarks to the first 100 customers. They were all gone within the first 3 hours of the tour.

We will be back restoring our inventory for the Benefit at workshops in September and October. All are welcome to attend the workshops. Remember we get 2 copies of the cards made at workshops--1 is sold for the club and the other is returned to the person who created it.

Karen Schwarzbauer and Wanda Godar were hostesses at the Frankenberger Tavern

Workshops are held at the Giant, Camp Hill, 2<sup>nd</sup> floor  
Monday, October 1, 2018 9 a.m. – noon

Karen Schwarzbauer, Pressed Flower Designer Chairman

# 2018 Scholarship and Community Projects Benefit

**Monday, November 26, 2018 at the Radisson, Camp Hill**

**Free Admission for shopping 9 am to Noon ... \$38 for luncheon and Design Presentation**

**Check made out to 'PCGC' goes to Betty Pisano, 15 Wetherburn Road, Enola, PA 17025**

**Provide names of any guests and special dietary needs.**

Our speaker/designer is **Trish O'Sullivan**, one of New York City's foremost names in floral design for the past 30 years. Master Florist Trish continues to define the landscape of imagination in floral design. Her floral vision blooms with graceful beauty, movement and the delicate blending of colors that evoke images of the natural garden for all to embrace.

As past director of the prestigious New York Botanical Garden Floral Design Program and presently founder of *The Floral Studio of Greenwich* and *The Floral Studio at Silvermine Arts Center* her student designers from novices to professionals learn the creative techniques in crafting beautiful and lush floral arrangements.

From living walls of the Emmy Award winning set of The Nate Berkus Show to the evocative floral designs created for The Dr. Oz show, Trish O'Sullivan inspires a chic floral style with the artful blending of old world masters, modern wild meadow and refined English gardens.

And for the fashionable W Hotels, floral designer Trisha O'Sullivan's floral art is a seamless extension of the garden to city lifestyle. Notable settings of Tricia's floral styling include The Mark, The Alex, UN Plaza and Millennium hotels. Tricia's floral arrangements adorn prestigious residences in Manhattan and Greenwich and commercial properties including One 57, 56 Leonard, 88/90 Lexington and the famous Architect and Designer Building in New York City.

**The following PCGC members are the committee chairs for this year. Please remember all are giving their time and their goal is to do the best they can and be good ambassadors for PCGC. Please put any criticisms or 'advice' back in your pocket and bring it to me to resolve. Thank you.**

Benefit Chairman and Sponsors - Ann Markley 737-2090

Communications - Fern Oram 737-3512

Baked Goods - Betty Golob 939-4979 and Josie McAnulty 939-4363

Ways and Means - Lisa Garrison 805-1309

Treasurer - Wanda Godar. 766-3205

Hospitality/ Greeters – TBD

**The Benefit Committee will meet Wednesday, September 19 at Isaac's at the West Shore Plaza at 10:00 a.m. Please bring a written update of the activity of your committee. If unable or not necessary for you to attend, please email me with the current status of your committee.**

Ann Markley, Benefit Chairman

# CONSERVATION

A big thank you to everyone for another wonderful year of conservation service.. All members of the club are on the conservation team. The health of our gardens and families is a shared stewardship of God's gift to mankind, this wonderful world. This past year we took action on recycling, staged exhibits, expanded home gardens, studied native plants and invasives and had eight special conservation discussion meetings. We participated in Earth Day Mechanicsburg and Arbor Day planned by Susan Wilder at Trails and Trees Environmental Center. This new club year opens the door to new challenges and opportunities. We face extreme weather, hazardous mining, plant and animal extinction and the question of how to stop an ocean of plastics.

This year for charity collection and recycling please bring calendars old and new, eyeglasses, cell phones, and greeting cards. Deposit items PRIOR to the meeting in a designated container.

Do share your conservation thoughts at club meetings and special conservation gatherings. Conservation meetings are open to members and guests. Everyone's opinion is valued. Bring topics of interest to you. Bring a mug as refreshments are provided. We meet at the Camp Hill Presbyterian Church, Walnut and Twenty-third Streets. Time of the meetings is 9:30 AM - 11:30 AM. Regular meeting dates are: Sept. 20, Oct. 25, Nov. 15, Jan. 24, Feb 28, Mar. 28, May 23. Special dates are the Nov. 26th Benefit, March 21<sup>st</sup> - Pennsylvania Bird Day, April 20<sup>th</sup> - Earth Day in Mechanicsburg, April 22<sup>nd</sup> - National Earth Day, June 5<sup>th</sup> - United Nations Earth Day, June 2-8 - National Garden Club's National Gardening Week.

Our President, Karen McAullife, will be the new District IV Environmental Chairman and Nancy Fulk will be the Garden Club Federation of Pennsylvania Environmental Chairman. Congratulations to both of them in their new positions.

Sue Daugherty, Conservation Chairman, Arlene Taylor Co-Chairman

## *BIRDS, BUTTERFLIES AND WILDFLOWERS*

Our committee is planning a nature walk on Friday, September 21, 2018 at the Vincent Di Filippo Nature Preserve, 110 Sample Bridge Road, Mechanicsburg. This park was established in 2014 by Silver Spring Township and named after the township supervisor who initiated a grassroots effort to protect and preserve land in the township. It requires low maintenance and preserves the land to keep it in its most natural state. The 1.9 miles gravel walking trail is level and easy to walk. This 54-acre nature preserve serves as a natural habitat for the birds and animals there.

Appalachian Audubon tour leader, Jane Earle, has agreed to lead this walk for us to point out plants, trees and birds. Jane is an excellent leader and we are fortunate to have her expertise for this walk. We will meet at the parking lot of the preserve at 9:30 a.m. Wear good walking shoes and dress for the weather. Please contact Sue Kent (kentskats482@yahoo.com) or Susan Wilder (swilders@verizon.net) if you are able to join us, so we have an idea of how many to expect. Bring a bag lunch and we'll have lunch together at a picnic shelter near the parking lot before going home. Drinks will be provided.

Sue Kent - Birds, Butterflies and Wildflowers Chairman and Susan Wilder – Co-Chairman

## *TRAVEL COMMITTEE*

The Travel Committee invites you to join us for a trip to Jim Thorpe on Thursday, October 18th. We should see some nice fall foliage on a short train ride. The town features some interesting and old buildings that we will tour on foot; a jail, opera house, St Mark's church, the Asa Packer Mansion, home of one of the original PA coal barons, the Bear Mt. Butterfly sanctuary and Hotel Switzerland for lunch. Please contact Gloria Basehore at [basehoreg@gmail.com](mailto:basehoreg@gmail.com) (new address) or 717-972-0440. There will be a signup sheet at the September meeting.

Gloria Basehore, Travel Committee Chairman

## *ALLOCATIONS*

The Allocations Committee will be distributing forms at the September and October general meetings for the membership to suggest names of organizations for consideration of an allocation this club year. The deadline for returned forms is October 31st. I will review the nomination form and guidelines for completing it at both meetings. This is not a vote but rather a suggestion of names for the committee to "vet."

Norma Frame, Allocations Chairman

## *WAYS AND MEANS*

Ways and Means will be trying some new ideas this year ..... we will continue our monthly raffle but we are seeking donations of only new items and particularly garden-related, plants or gift cards (maybe to a local nursery, Lowe's, Home Depot, etc.). We will also be doing 50/50 raffles with multiple winners. One month we will try a special raffle where every member brings in a new or gently used item or something they want to "regift" and tickets are sold to be placed in bags in front of each item.

For the Benefit, we will NOT be collecting items all fall nor do we want your Goodwill type of donations any longer ..... why you may ask? Your new chairman simply does not have the room to store it all and the amount of merchandise left over is too overwhelming after the Benefit is over. We will welcome donations of new or high quality gently used items and we will announce soon when and where those items can be dropped off. A group will also be making boxwood trees to sell as part of the Ways and Means table.

Thanks to those who have signed up already to donate items for our monthly meetings and for your continuing support of our Ways and Means efforts! Do not forget to order your bulbs for fall planting from Brent and Becky's.

Lisa Garrison, Ways and Means Chairman

## *ENVIRONMENTAL SCHOOL*

As you know, National Garden Club sponsors 4 different types of schools members can opt to attend for certification in various areas. There will be an Environmental School March 14 and 15, 2019 that will begin with Course I. There are 4 courses altogether spread out over a couple of years. Mark your calendars and let Nancy Fulk know if you are interested in this school. [nfulk@comcast.net](mailto:nfulk@comcast.net) or 717-732-9167

# Bloomin' Bucks\$ with Brent and Becky's

Penn-Cumberland Garden Club has partnered with Brent and Becky's Bulbs "Bloomin' Bucks" program. Brent and Becky's Bulbs will return **25%** of the value of our orders to our club. All products are included: books, perennials, tools, home accessories and a HUGE selection of bulbs.

## When ordering **ONLINE**:

Go to the [www.bloominbucks.com](http://www.bloominbucks.com) website. (**not** [brentandbeckysbulbs.com](http://brentandbeckysbulbs.com))

Follow the prompts and select Penn-Cumberland Garden Club

When you hit GO, the system will take you to the page where you submit your order.

When you finalize your order, Fundraising for Penn-Cumberland Garden Club will appear at the bottom of the screen. And, it will list the dollar amount that will be returned to the club.

When ordering by **PHONE**: (877-661-2852) Tell the representative that you support Penn-Cumberland Garden Club. (She/he may not ask)

## When ordering from the **CATALOG**:

At the bottom of the order form is the following: "If you are participating in a BloominBucks.com fundraiser, please indicate the organization you wish to support." Write in Penn-Cumberland Garden Club. You can order a catalog at <https://brentandbeckysbulbs.com/Request-Catalogue>.

## *NATIONAL GARDEN CLUB - AMES COMPANIES, INC. TOOL GRANTS*

Nancy Fulk, member and past president of PCGC, is the Project Manager for the NGC Ames Tool Company Grant Program. This is her report on the awarding of grants for this year: "I worked with Jane Waugh, Relations Manager for Ames, Pat Wilson, Chair of Sponsors and Partnerships for NGC and Prema William, Brand & Insights Manager of our partner, Ames. NGC received 57 Tools Grant Applications for the \$5,000 in tools available from the Ames Companies. They were from 16 states. The value of the tools requested from each ranged from \$19.00 to \$5000.00, with a total of over 4 times those available. So only clubs with the best requests could be awarded tools, and often not in the total numbers requested. I'm pleased to report that we have selected 24 clubs located in 16 different states to receive tools. All grant-recipient clubs plan gardening projects of value to their communities with a high level of club and outside organization participation. Many are unique, and a large portion include the participation of youth. Recipients were notified. Both NGC and Ames are gratified that our partnership will assist with so many worthwhile gardening projects.

For selection of the Ames Tool Grant, considerations were given to the following: value of the project to the community, level of club member participation, need and planned usage of the tools requested, uniqueness of the project."

## FACEBOOK PAGE

A total of **202** Garden Tour photos were added to our Facebook page. A big **thank you** is due to our photographers--Kathleen Jacobs-Bair, Kathy Brenneman, Lisa Garrison, Carol Hollis, and Sheri Goff for such outstanding, professional-looking photos. They forwarded a total of **520** photos to the Facebook Team.

One of the photo grouping that had the most "hits" goes to Terri Maclay's beautiful flower arrangements. Terri kindly donated a flower arrangement to each hostess' table on the tour. The homeowners were thrilled when they learned that they could keep them. The photo grouping of Terri and her arrangements got **695** hits!

Karen Schwarzbauer, Facebook Team Leader

## NGC CONVENTION - MAY 2018

Two of our PCGC members decided to take advantage of the **National Garden Club Convention** being held in **Philadelphia** this summer and have an adventure by train, taxi and on foot in the City of Love! The convention, **Love Blooms in Philadelphia**, was hosted by our state organization and specifically by the Norristown Garden Club. It was 5 days in May of business meetings, speakers, workshops, tours of some of the 30 public gardens in the Philadelphia area and a time to make new friends and learn about what other clubs across the country are doing. Joyce Wallen and Sheri Goff took in two days of the convention and attended the Life Members Banquet where they received their life membership pins from national president, Nancy Hargroves. The speaker was Kirk Brown (our Benefit speaker last fall) portraying John Bartram, the Father of American botany. They attended the Opening Luncheon the next day where the speaker was Kent Russell, the "Garden Guru" of PBS fame, who entertained all with his magical floral creations. That evening was the Awards Banquet where each state president received the awards for their state and other national awards were given.
