Recycle with Penn-Cumberland.

This is a fundraising opportunity sponsored by the Conservation Committee.

Bring this waste to any PCGC meeting. Leave outside at bottom of ramp.

Waste can also be dropped off at The Rosemary House, Mechanicsburg, PA

We will collect it and send it in to Terracycle.com to raise money for our club!

It is helpful to keep the lids separate in one bag and the other
Items like the pens, and toothbrushes in a different bag.

<u>Also, if possible – tie the bag shut so it doesn't spill!!</u> Thanks!

1. Toothpaste tubes and caps
2. Toothbrushes
3. Floss containers
4. Pens and pen caps**
5. Mechanical pencils**
6. Markers and marker caps
7. Permanent markers and permanent marker caps**
8. The sprayer tops of cleaning bottles
9. HARD plastic lids

NOT plastic that can be recycled at Giant

**Pens and markers are recycled through
Staples and not through Terracycle
